WELCOME

Welcome to

KAMLOOPS CHRISTIAN SCHOOL

We are excited to have you join our school community! Kamloops Christian School is an accredited K-12 independent school founded in 1985. KCS has a legacy of educational excellence and a commitment to developing leaders who will serve others and God with integrity and compassion.

At Kamloops Christian School, you can expect:

- A community that is involved and engaged in children's learning
- Staff that care about your child's wellbeing and support your child's strengths and interests
- Parent-school partnership and communication
- An emphasis on connecting learning with generosity and service to God and others
- An education that challenges and fulfills your child's learning needs

KCS welcomes all families and students who want to be part of our community to

grow closer in their relationship with Jesus. We invite students to grow in their faith through practicing spiritual disciplines, studying God's Word, and building a Christian worldview.

Whether you are interested in arts, trades, athletics, leadership, or outdoor education, KCS will support you in exploring and expanding your skills. We invite you to catch a glimpse of KCS in this booklet and to contact us for further information and application packages at international@kamcs.org.

HIGH SCHOOL

At KCS, we know that every student has their own gifts and talents. That's why KCS offers a comprehensive and varied program offering for its students. Our students are given the opportunity to nurture academic knowledge in a variety of ways, as well as learn how a Christian worldview impacts each subject and, consequently, our world.

Learn with Curiosity

by experiencing wonder, joy, and imagination, engaging fully in learning, and seeking to discover their part in God's Story. Learning with curiosity includes listening actively, asking questions, and showing empathy to others with an open mind and heart.

Grow in Character

by reflecting God's character in the way they think, feel, and act; thriving and flourishing within God's purpose for their life. Growing in character includes mirroring God's compassion, love, and mercy to all people and throughout His creation while practicing integrity in our words, thoughts, and actions.

We Practice Courage

by choosing to be vulnerable, honest, and compassionate and by choosing to act justly, to love mercy, and to walk humbly with God. Building courage includes embedding God's Word in our heart as a firm foundation and relying on God's strength and His Spirit to persevere through circumstances. We take risks to learn, grow, and to change.

I am a Creation Enjoyer

Outdoor Education is an integral part of our school. We strive to create lifelong learners, not just classroom stars. To do that well, students must be given the opportunity to explore and be curious, both about themselves and also about the world around them.

I explore God's gift of His creation with thanksgiving and awe.

I am a Servant Leader

Every spring a team of high school students and chaperones travel to **Tactic, Guatemala** to serve alongside Impact Ministries. The students practice being servant-leaders through installing solar panels and leading a children's ministry.

I serve others with Christ-like love.

TEACHERS

All of our teachers are actively practising Christians as well as fully qualified, certified BC teachers.

KCS teachers take the time to connect with students and to establish open communication with parents. We are thankful for the care and guidance provided by our staff!

COMMUNITY

Kamloops Christian School is governed by the Kamloops Christian School Association Board of Directors, committed parent volunteers, who meet once a month with KCS administrators.

Our Parent Action Committee

(PAC) is active in supporting community events such as the Back-to School Welcome Evening, Christmas Program, and Grandparents' Tea, and providing lunches twice a week. We are thankful for the many ways that the school community is supported by volunteers and our local churches!

How did your education at KCS prepare you for engaging in your post-secondary work?

KCS education system emphasizes critical thinking, problem-solving, and analytical skills. Students are encouraged to think independently, explore different perspectives, and develop their own opinions.

Can you describe how your education at KCS and connections with staff helped you develop your character?

Under a Christian study environment, students and teachers are always nice to me. At the beginning I have language barrier, staff are always patient without discrimination.

How did you feel the KCS community welcomed you when you first came?

Mr. Peters [the principal at the time] picked me up at the airport and invited me to his house and stay for a week before I found a place to live. That's Love.

DEEP HOPE

FOR OUR SCHOOL COMMUNITY

Our deep hope is that KCS will be a **beacon of God's light** drawing us into a place of community where our **Curiosity, Character,** and **Courage** flourish.

As a people deeply rooted in Christ, we want to be engaged and transformed within an **inclusive, dynamic, caring** environment that inspires us to impact God's world.
